FOR IMMEDIATE RELEASE

*Lincoln, NE – January 17, 2012-* The Lucky Star 4-H Club from Frontier County has been selected as the 4-H Club of the Month for the month of January by the Nebraska 4-H Ambassadors and Nebraska 4-H Foundation. 4-H clubs from throughout the state of Nebraska nominated themselves by explaining why their club should be Club of the Month. Stories about community service projects, trips to museums and other fun activities were shared.

Throughout the years, the Lucky Star 4-H Club has volunteered at their local theater working concessions, ushering and taking tickets. The Star theater was faced with an ultimatum: either close their doors due to not being up to date with current digital technology or the Star Theater was going to have to raise a large sum of money in a short amount of time to stay in business. When the theater was faced with its challenge, the Lucky Star 4-H Club decided to help out with the theater's fundraising efforts. With the help of Town & Country Market and The Village Pie Maker, the members sold pies to contribute to the Star Theater's goal. The theater was able to meet its goal with the help of the community, including that of the devout Lucky Star 4-H Club members. The Nebraska 4-H Foundation and Nebraska 4-H Ambassadors are proud to call the Lucky Stars the 4-H Club of the Month for January 2012.

The Nebraska 4-H Ambassadors together with the Nebraska 4-H Foundation provide the 4-H Club of the Month program to all Nebraska 4-H clubs throughout the state. Clubs can nominate themselves by telling why their club should be chosen as Club of the Month. A different club will be chosen each month and will be awarded with a certificate and \$50 cash card.
